*The probationary expiration date for all appointments is tentative and conditional only, subject to the applicable provisions of Section 3012 of the Education Law. In order to be granted tenure, the classroom teacher or building principal must receive composite or overall APPR ratings of either effective or highly effective in at least of the three of the four preceding years. If the classroom teacher or building principal receives an ineffective composite or overall rating in the final year of the probationary period, the employee will not be eligible for tenure at that time.
